

"Pay It Forward"

Founded 1931 • Sponsored by Millburn Township Conference of Parents and Teachers

The Charles T. King Student Loan Fund

The Student Loan Fund was established over eighty years ago to help Millburn Township students further their educational goals. Renamed in 1974 to honor Dr. Charles T. King, who retired as Superintendent of schools after 27 years of service in the system, the Fund is sponsored by the Millburn Township Conference of Parents and Teachers.

Due to the tremendous increase in college tuition, the Fund plays an important role in helping to finance students' postsecondary school educations. The loans are need-based and currently interest free. More than 700 students have received them to date.

The Fund is maintained by personal and business contributions from within the community. Through the generosity of our residents and businesses, over \$2.5 million in loans have been made to students throughout the years. The loans are due upon graduation and by "paying it forward" the fund is continually replenished by past recipients to support students in the future.

The "average yearly amount borrowed" will then be divided by four to determine the "quarterly payment". Quarterly payments shall be due for the same number of years the loan was received. (i.e. \$4000 borrowed for each of 4 years for a total amount borrowed of \$16,000. \$16,000 divided by 4=\$4000. \$4000 divided by 4=\$1000 due per quarter for 4 years.)
